

Promise

Wednesday, June 19, 2024 1:23 PM

Blocking

```
function getUsers() {  
  return [  
    { username: 'john', email: 'john@test.com' },  
    { username: 'jane', email: 'jane@test.com' },  
  ];  
}  
  
function findUser(username) {  
  const users = getUsers();  
  const user = users.find((user) => user.username === username);  
  return user;  
}  
  
console.log(findUser('john'));
```

Return:

```
{ username: 'john', email: 'john@test.com' }
```
